

Aerospace Tapes

Tapes for every aerospace application

Boeing Distribution Services is a leading provider of high-quality Aerospace Tapes that meet the stringent demands and high standards of the aerospace industry. Our range of tapes correspond to the changing aerospace market dynamics and is tailored to both the OEM and aircraft maintenance customers:

- Adhesive Transfer Tapes
- Aluminium Tapes
- Double Sided Tapes
- Hook and Loop Tapes
- Adhesive Foil Tapes
- Masking Tapes
- Foam Tapes
- Glass Cloth Tapes

Simplify your supplier base by relying on Boeing Distribution Services for Aerospace Tapes

- One source for more of the parts and products you need
- Conformity with Specifications
- Services' reliability and proven quality
- Warehouses strategically located around the world
- AOG support available 24/7

Possible applications

Composite Bonding, Corrosion Protection, Ducting Bonding, Edge and Void Filling, Erosion Protection, Metal Bonding, Metal to Composite Bonding, Chemical and Paint Masking, Rotor Blade Protection, Surface Protection, Temporary Protection and Holding, Anti-Vibration, Hook and Loop, Carpet and Flooring Installation, High Temperature Protection, Media Blast Masking, Moisture Barrier, Electrical Protection, and Cargo Area Sealing.

This is only a selection of our product range.
