

Chemicals, Composites, Raw Materials

A single source for aerospace-grade materials.

Boeing Distribution Services is an approved supplier of raw and semifinished metal products and materials, consumables, chemicals and composites to OEMs, MROs and airlines. Now you can simplify the procurement process and get Boeing Distribution Services reliability, quality and expertise with more of the items you need:

CONSUMABLES & CHEMICALS

Sealants & Adhesives
Paints
Hydraulic Fluids
Cleaners & Degreasers
Oils, Greases & Fluids
Corrosion Protection
Lubricants
Tapes

COMPOSITES

Fabrics
Prepregs
Resins
Honeycombs
Adhesives & Films
Flooring & Panels
Vacuum Bagging/
Resin Infusion
Materials

RAW MATERIALS

Plastic Extrusions,
Seals & Strips
Aluminum Extrusions/
Sections
Metal Sheets & Plates
Metal Bars & Tubes
Wire & Cable Products
Floorings
Interior Materials

METALLURGICAL PRODUCTS

A simple way to streamline your supplier base:

- Authorized stocking distributor for industry-leading brands and manufacturers
- Warehouses strategically located around the world to ensure your order is received quickly
- AOG support — 24 hours a day, 7 days a week, 365 days a year
- In-house forwarder reduces shipping time and costs
- Dry-ice composites shipping and dangerous goods packing
