

Cleaners and Corrosion Protection

Approved supplier of cleaning material and corrosion protection

Boeing Distribution Services is a leading provider of high-performance cleaning and corrosion protection material for the aerospace and industrial sectors. A broad range of our high-performance product portfolio of the leading brands is designed for use in manufacture, MRO, metal and energy industries:

- General Cleaners
(Interior and Exterior surfaces)
- Corrosion compounds
- Crack Detection
- Surface treatment material
- Paint Strippers
- Rain Repellent
- Wipes

Simplify your supplier base by relying on Boeing Distribution Services for Cleaners and Corrosion Protection Material:

One source for more of the parts and products you need

- Conformity with Specifications
- Services reliability and proven quality
- Warehouses strategically located around the world

AOG support available 24/7

This is only a selection of our product range. Contact Boeing Distribution Services for all of your Cleaners requirements at Chemical.Support@BoeingDistribution.com
