

Adhesives & Sealants

Boeing Distribution Services is an approved provider of high-performance Adhesives and Sealants materials with the focus on the specialized needs of the aerospace industry.

A wide range of this product line portfolio meets high standards of commercial and general aviation, OEMs and military segments:

- Adhesives
- Compounds
- Gasket Sealants
- Gels and encapsulants
- Resins
- Retaining Compounds
- Sealants
- Thermal management and electrically conductive materials
- Threadlockers
- Torque Seals

Simplify your supplier base by relying on Boeing Distribution Services for your Adhesives & Sealants needs:

- One source for more of the parts and products you need
- Conformity with specifications
- Services' reliability and proven quality
- Warehouses strategically located around the world
- AOG support available 24 / 7

This is only a selection of our product range.
