

Boeing Distribution Services

Parts and Services Optimization - Portfolio Overview

Boeing Distribution Services focuses on the high-volume, low-cost side of the supply chain, that allow our Customers to focus on bigger things: building aircraft and keeping them flying. With over 1.3 Billion +parts and products on hand and ready to ship — plus innovative services that reduce time, cost and risk to your operation — Boeing Distribution Services is a true partner for success.

BEARINGS

- Airframe Control
- Ball Bearings
- Ceramic Hybrid Bearings
- Cylindrical Rollers
- Journal/Bushings
- MS, NS, NAS, AS, AN Bearings
- Needle Bearings
- Rod Ends
- Roller Bearings
- Spherical Bushings
- Thrust Bearings
- Track Rollers

CHEMICALS, COMPOSITES & RAW MATERIALS

Chemicals

- Adhesives
- Cleaners & Degreasers
- Corrosion Protection
- Hydraulic Fluids
- Oils, Greases & Fluids
- Paints Interior / Exterior
- Sealants

Composites

- Adhesive Films
- Fabrics
- Honeycombs
- Prepregs
- Resins
- Resin Infusion Materials
- Special Adhesives
- Vacuum Bagging

Specialty Materials

- Custom Packaging
- Insulating Products
- Interior Materials
- Moisture Barrier
- Paint Kits
- Raw Materials
- Shop Supplies
- Tapes

ELECTRICAL PRODUCTS

- Cable Harness Accessories
- Circuit Breakers
- Connector Accessories
- Connectors
- Contactors
- Current Limiters
- Fuses
- Lighting
- PCB Components
- Relays
- Sensors
- Switches
- Terminals
- Thermostats

ENGINEERED PRODUCTS

Small Parts

- Bearings
- Brackets
- Bushings
- Gears
- Seals
- Shims

Specialty Parts

- Latches
- Springs
- Tubes
- Valves

Complex Parts

- Bulkheads
- Flaps
- Frames
- Mounts
- Skins
- Struts

Materials

- Composite
- Exotic Metal
- Hard Metal
- Plastic

Soft Metal

Manufacturing Process

- Assembly
- Lathe
- Laser Cut
- Milling – 3, 4, and 5 axis
- Press Form
- Stamping

HARDWARE AND FASTENERS

- Externally Threaded Fasteners
- Internally Threaded Fasteners
- Pin Systems
- Blind Fasteners & Rivets
- Specialty Fasteners
- Perishables

HONEYWELL LICENSED PARTS

Supporting Honeywell APU, Engines, Air Cycle Machines, Bleed and Shut off Valves, HMUs, Air Turbine Starters, Actuators, Pumps, Fuel Controls, and many more, with:-

- Honeywell Licensed Fasteners, Packing, Seals, and Seal Assemblies, O-Rings, Bearings, Filters, Igniters, bushings, sensors, switches, Clamps, Plugs, Caps, Dip Sticks, Fittings, ID Plates, Valves, Diaphragms, Machined components, Springs, Retainers, Tubes, Hoses, Wirings, Connectors, and many more

LIGHTING

- Anti-Collision Strobes
- Emergency Floor Lighting Flight Deck
- Fluorescent
- Landing Lamps
- Logo Lamps
- Miniature

Navigation Lamps

- Passenger PSU
- Reading Lamps
- Sealed Beam
- Subminiature
- Taxi Lamps

TOOLING

- Bits
- Blind Rivet/Bolt Installation & Removal Tools
- Cherry & Avdel Tooling
- Countersinks & Special Cutting Tools
- Electrical Installation Tools
- Fastener Installation Tools
- Hi-Lok/Hi-Lite Installation Tools
- Pneumatic Drills
- Safe-T-Cable Tools
- Sealant Dispensers & Disposables
- Solid Rivet Installation & Removal Tools
- Special Tools
- Temporary Fastener Installation Tools

SEALS

- Carbon-Faced Seals
- Gaskets
- Grommets
- Metal O-Rings
- Packings
- Seals
- Teflon O-Rings

Boeing Distribution Services

Parts and Services Optimization - Portfolio Overview Services that improve operations

CHEMICAL SOLUTIONS

- Tailored solutions and a consolidated supply chain
- Stock and Shelf-life management through effective forecasting and planning, and compliance documentation and reporting
- Cost savings from point of use distribution, on-time delivery and minimization of scrap rates and waste

KITTING SOLUTIONS

- Consolidation of many parts into a single part number maintaining full traceability
- 50% reduction of inventory on hand, POs and supplier management
- Kit assembly at your facility or ours
- Guaranteed component stocking levels
- Customizable Bill of Materials and delivery containers
- Interactive web-based configuration management

BIN MANAGEMENT SOLUTIONS

- Multi-configured custom solutions including JIT, DLF, POU, 3PL, Kanban
- Lower total cost of ownership and inventory investment
- Improved forecast reliability through usage reports
- Quality documents readily available via electronic source
- Maintain reserve stock level at Boeing Distribution Services warehouse

QUALITY ASSURANCE / DELEGATED INSPECTION AUTHORITY

- Authorized by the FAA to inspect incoming parts from all suppliers and ship them directly to your point-of-use locations
- Every product lot undergoes random sample testing based on your requirements to ensure the highest quality
- Allows shipments to bypass quality inspection at your facility, which results in cost and time savings for you
- Certified to produce 8130 tags for new Boeing platform parts, over 36,000 Honeywell proprietary parts and FAA-approved DAR tags for non-Boeing platform parts

ENGINEERING SERVICES AND TECHNICAL TOOLING SUPPORT

- Dedicated team offers the technical know-how to reduce your costs and optimize your performance
- Boeing Distribution Services provides alternatives and upgrades to current application tools and cost-efficient options for hardware installation
- Consulting services and platform-specific technical engineering support

LOGISTICS SERVICES

- Streamlined order and delivery process for complex programs
- Boeing Distribution Service's Quality Delegated Inspection Authority allows parts to be delivered directly to the point-of-use, bypassing your quality inspection

SAME-DAY/AOG SUPPORT

- Same-day shipping available worldwide
- 24/7 AOG service available for select customers
- AOG parts delivered within 24 hours
- Place orders online or by phone

GLOBAL LOCATIONS

- Australia
- Canada
- China
- France
- Germany
